Information and Other Links...

Technical Support NEW

Got a question relating to engineering or technical areas
... the new EAS system that replaces the EBS system
... studio or transmitting equipment
... power increases...carrier-current?

If you're with an IBS member station, Tom Gibson, VP IBS Engineering, can help.
Just [click here](#) to send him an email with your questions.

Station Manager Support NEW

Got a question relating to station management
... people issues
... station relations with your school or college
... budgeting ... whatever?

If you're with an IBS member station, Norm Prusslin, IBS President
(and a station manager himself), can help.
Just [click here](#) to send Norm an email with your questions.
